**Mission Statement:** Become a family of faith that loves God and is unified in Christ

(Mission Statement can be a scripture)

“But as for me and my household we will serve the Lord”  
Joshua 24:15

**Identify Competing Idol:** We are too focused on achievement as a family, we would like to make sure Christ has the throne.

**Family Strengths:** - (Based on Questionnaire above)

1. We have a healthy Marriage
2. I believe i am personally responsible for the spiritual development of my child

**Family Weaknesses:** - (based on the questionnaire above)

1. I have not put a team around my child (mentors, friends, ect...)
2. We don't actively seek discipling in family dynamics
3. Not reaching out to other families as a family

**Practical Plan:**

- This week begin the process of finding a mentor for my child.
- I will begin to do the character studies with my kid on XYZ date
- Set up a time and date with couple XYZ to meet with us and discuss family.
- Set up time with another family in the church with kids of the same age where we can all hang out and my teen/ pre-teen can build friendship with their teen/pre-teen.
- This month we will invite a family from school over for dinner.
- We are going to talk to the coach XYZ or Dance instructor XYZ to reaffirm our commitment to our church family.
- We will set up a time with Y&F workers to discuss how things are going with the kids and how we can work together.
